About the Event

Reach 150 is an annual fun filled, family focused, mountain bike event organized by Mangapapa Church Youth Group to raise funds for Ruel Fiji.

Ruel Fiji provides free, life changing surgical treatment for Fijian children with operable facial deformities such as cleft lip and palate. For as little as \$350 a child can receive corrective surgery from a team of medical professionals who donate their time and expertise.

All money raised from Reach 150 goes toward: locating children in need, educating their parents about the corrective surgical procedure, transporting, accommodating and providing food for the child and a support-person, paying for medicines and any post-operative care of the child.

To find out more visit YouTube *Ruel Fiji* or www.ruelfoundation.com

Reach 150 consists of either **Solo** or **Team** riders completing as many laps of a 1.5 km circuit as possible within the 150 minute time frame.

Money is raised by riders collecting sponsorship per lap ridden, or through donation.

Solo riders— one rider completes as many laps of the designated circuit as possible. Outside assistance may be given with regard to feeding and mechanical mishaps i.e. no pushing or pulling of solo riders allowed!

Team riders—each team will consist of 2, 3 or 4 riders. Team tactics will vary, however most teams will have one rider complete the circuit then tag their next rider who then completes the circuit etc. Only one rider per team is allowed on the course at any one time.

Event Venue / Course

The event is based at **190 Darwin Road** and consists of a 1.5 km “off-road” circuit. The course has “easy” and “challenging” options and is therefore suitable for the beginner as well as the more experienced riders.

Car parking is available at 190 Darwin Road; marshals will be present to give directions.

Please note: There will be no entry into the property after 1.00pm.

Team Sites

Each team will be designated a space within the TRANSITION AREA. Each team will be free to adorn this space with banners, chairs, blankets, or any other team-specific paraphernalia!
