Shane is sharing the message with us this morning. He writes ...

Over the next few months, we'll be spending time exploring the book of Philippians together. Although it is one of the shortest letters in the New Testament, it is packed with encouragement, wisdom, and practical teaching for everyday life. Written by the Apostle Paul while he was in prison, Philippians is often described as the letter of joy. Throughout its pages we discover that true joy is not found in perfect circumstances, but in knowing and following Jesus. Paul encourages believers to stand firm in their faith, live with humility, grow in unity, and keep their eyes fixed on Christ.

As we journey through this letter, we'll explore what it means to live with purpose, find peace in anxious times, and experience the deep contentment that comes from trusting God.

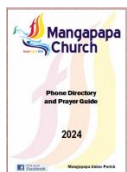

"Being confident of this, that He who began a good work in you will carry it on to completion until the day of Christ Jesus." (Philippians 1:6 NIV)

Key Scriptures: Philippians 1:1-11; Acts 16
