Paula writes:

Well it's sure been a week of ups and downs. It began with working hard on finalising a great week of activities for our YWAM team. Now their visit has had to be postponed. They are finding ways to quickly return to their base in the South Island in case COVID levels increase. We hope at least some of them will be able to join us another time.

As I write this under lock down level 2, we prayerfully wait to see how things develop. At time of writing we will continue to meet for worship on Sunday – but in two groups. And we will have to postpone our shared lunch. Remember, you can still gather with small groups of others for a cuppa in your home or at a café. But if you are unwell, please stay home.

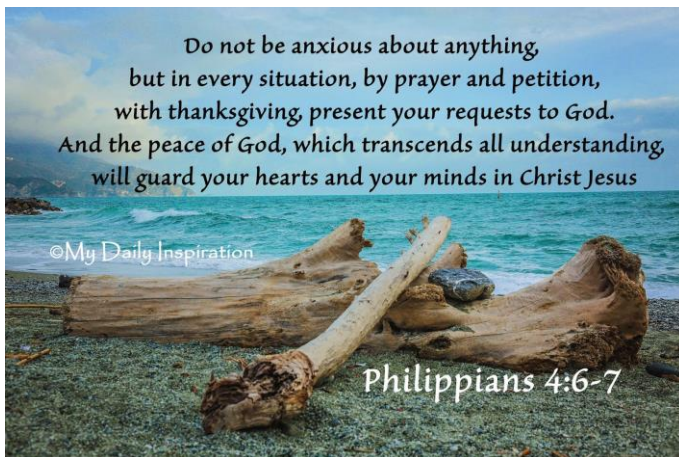

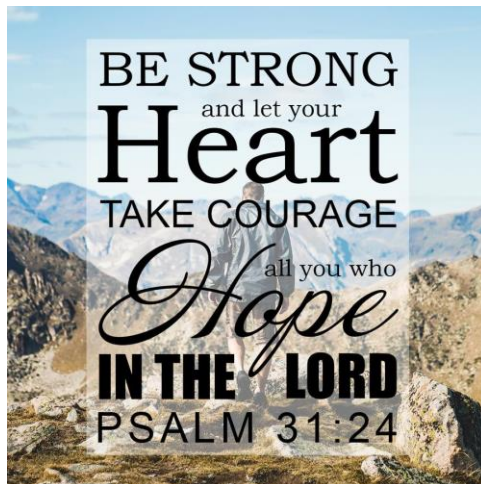

We hope to continue our Alpha Course at 6pm tonight. Remember Alpha is a wonderful place to invite someone who is not yet a believer, but who you have been praying for. Last week was an introductory week so it's not too late to join.

The word on the street at the moment seems to be “anxiety”. From the moment

the 10:15pm alarm went off, many people's stress levels went up and the 'what if' questions have been flying. As Jesus' followers, we are told to take our anxiety to God in prayer and ask for His miracle of peace as we trust in Him. We are also called to look out for each other and encourage each other. As you are aware of those who may be struggling or especially anxious at this time, please reach out to them. Remember our prayer chain or contacting me or one of the Elders if you have a real concern for yourself or someone else.

Kia Kaha and remember... God is our Refuge and Strength. And is always there in times of trouble.

Blessings, Paula

Wanted Women!

There is a new group meeting every Thursday fortnight, from 1pm-2:30pm. If you would like to spend time connecting, worshipping God, praying, reading and discussing the Bible – then this group might be for you. Contact Nicola Hawkins if interested. Numbers limited.

Needed: Table and chairs, 2 x Chest of drawers and a Washing machine – for a single mum moving into a house on 8th September. If you have any of these items that you are willing to donate, please contact the office.

Covid 19 – Level Two

Level Two means that we can continue to meet in groups of 100 people or less, but we need to contact trace and keep 1 metre apart. Please use sanitiser on your hands as you enter the building and make sure you sign in. If you have the Covid 19 Tracer App installed on your phone, we now have a Q code you can scan as you enter so you don't have to manually sign in.
