Paula writes...

Today we continue the series on our awesome God. Last week we had a very moving look at the compassion of our God and His call on us to also be compassionate. Today we look at His holiness – how God is separate and different from us. He is more, He is perfect, He is set apart and He is worthy of worship like no other person or thing. No one is like Him!

On Tuesday week, we will gather as a church to pray. Pray for each other, pray for our church, pray for our community, pray for our world. Please join us as we take time to listen to God and bring our requests to Him.

If you are not in a small group this year and would like to be, please let Paula know as we are looking at starting a couple of new ones.

And finally thanks to everyone who joined us for the inaugural cricket match, to play or support. And yes it did come down to the last ball. Some stunning batting and bowling, brilliant catches and David and Goliath moments. Thanks to the umpire, scorer and everyone who participated. Next could be football, badminton, bowls or....?

Blessings, Paula

There is nothing the nearness of Jesus cannot overcome.
