

This will be our last newsletter for three weeks and the church office will be closed until 10th January. This newsletter contains details of who is leading services and responsible for other activities. Enjoy your Christmas and New Year, may you rest well, take time to enjoy those close to you, and enjoy this beautiful place we live.

This is an uncertain time in regards to how the Covid pandemic may impact our region in 2022, so be wise and alert to any changes, while we also look out for those in need or who would value some company and friendship. Enjoy relaxed hospitality and friendship building, while maintaining wise and good health practices.

Blessings and see you in 2022.
