Paula writes... Wasn't it great to have the Excel team here last week. Thanks so much to all of you who provided billets for the team. Please pray for them with only one week of tour to go; That God would really cement in them all they have learnt, bless them for what they have given over the last year and show them the next steps for their futures. Remember too, the message we received; "To be the arrow and let God be the bow". Speak blessings into your family, your workplaces, schools, businesses, and into everywhere you go

Thanks to Debbie and the team for bringing together another Light Party last night. Let's keep sharing light and blessings this week – through the 'Halloween' season. We thank God we have a positive message of life and hope to share.

This Sunday we have our Uganda team sharing the stories and experiences. This morning we will have an overview and a couple of the team will share their learnings. Unfortunately, the whole team can't be here **BUT.....** they invite you to come back tonight – where they will share photos and stories in a more relaxed way, over dessert and coffee. Please come if you are able and bring a friend! And as we listen let's invite God to touch our hearts as to how he might be asking each of us to "go" whether that's to our neighbour, our community, to someone we have noticed – or further afield.

We have been blessed to be a blessing....

Giving our leftovers was not the goal when God called for us to give our lives.

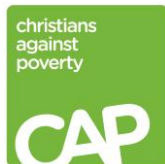

Make a sacrifice in your life today to better enable the expansion of the gospel into the world. When you give dignity, mercy, love, justice, charity, and respect to others you are letting them see Christ in your words and actions. We must not lose sight of why God has blessed us so richly.

Paul reminds us: "God comforts us in all our affliction, so that we may be able to comfort those who are in any affliction, with the comfort with which we ourselves are comforted by God"

(2 Corinthians 1:4).
