Frank writes...“Is it Really True?” Rev. 1:18 – “I am the living one. I was dead, and behold I am alive forever and ever! And I hold the keys of death and Hades (i.e. ‘the grave’).”

Famous statements by people of renown

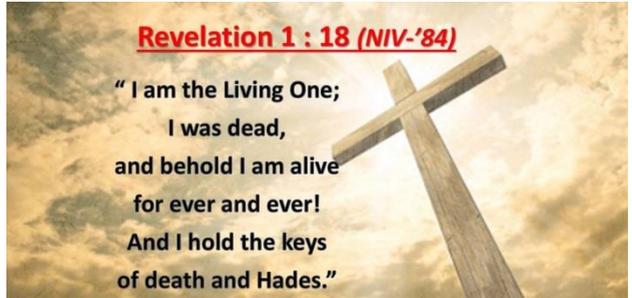

“The historical evidence for the resurrection is stronger than for any other miracle anywhere narrated.”

“I know of no one fact in the history of mankind which is proved by better and fuller

evidence of every sort, to the understanding of a fair inquirer, than the great sign which God hath given us that Christ died and rose again from the dead.”

“Many impartial students who have approached the resurrection with a judicial spirit have been compelled by the weight of the evidence to belief in the resurrection as a fact of history.”

In a book which became a best-seller, “Who Moved the Stone?” Frank Morrison, a lawyer, set out to “discount the resurrection”. But when he came to study the facts with care, he had to change his mind..... “

CAPtion – One of the CAP clients could do with some clothes. If you have any unwanted clothes, adult size 10/12, suitable for a 60 year old very casual dressing woman, then please get them to the CAP office (next to where Sepoima works). This CAP client would be very blessed to receive something.

Focus on Servanthood – A huge ‘thank you’ to Paul Madsen for helping out with proof reading the newsletter and also using his valuable skills with website administration.

FOODBANK... Thank you for your faithful giving to this ministry. We have a good supply of most foodbank items, however **we would love help with the following items:** *rice, 2 min noodles, sugar, margarine fresh bread, soap, and toothbrushes.*

TOSS Garage Sale held on Thursday raised \$304.00. Also this week at the request of a local Tairawhiti community agency, we were able to meet the needs of a 59yr old male by giving him basic essential household items. Thank-you church and friends for your donated items, which have enabled us to support local missions.
