**Stewart writes...** Today is **Trinity Sunday** in the Christian Year. It is a day for celebrating the mystery of the 'three in one' nature of our God. Of course it appropriately comes 1 week after **Pentecost Sunday**, the pouring out of the Holy Spirit. *Romans:8:14* For all who are led by the Spirit of God are children of God. For you did not receive a spirit of slavery to fall back into fear, but you have received a spirit of adoption. When we cry, "Abba! Father!" From last Sunday, its 'Love poured out into our hearts by the Holy Spirit'

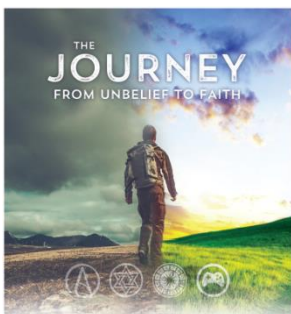

The word **LISTEN** contains the same letters as the word **SILENT**.

Leigh McGurk brings the message to us this morning, with the reminder of how easy it is for us to judge others and situations, from a self-righteous perspective. Key points...  
 1 – We all experience problems/hurts & we all sin.  
 2 – We need to very careful when we judge others situations.  
 3 – Be connected – and lead others into a connection with God.  
 4 - Speak less – Listen more.

**'Journey From Unbelief To Faith': Part 4 'X-BOX ATHIEST'**

"Growing up without any kind of God or any religion of any form, I basically went out and sought my own and found science. With this science and evolution I personally felt that there was no need for a God to exist, and this became the truth for me and for my beliefs."

There is nothing the nearness of Jesus cannot overcome.

The title of EXCEL's church programme this year is 'The Power of Connection'. As John Knight, the Principal of the Excel School of Performing Arts explains "The real moments of change and growth in our lives always involves people. The relationships we have today impact our future. We explore the four corners of connection as outlined in Henry Cloud's powerful book 'The Power of the Other'. A message which he gave last year has really inspired us as we have prepared this programme." Here is the link for Henry Clouds message: <https://www.youtube.com/watch?v=BurhIjG1UJo>

**Nicola's CAPtion** – Recently we began working with a man who was at the point of having to live without power. We gave him some food which allowed him to pay for power and got him on his budget within three weeks. His support friend has been wonderful at helping him practically. This man is feeling so much better as he is experiencing God's provision through CAP and

can see a way out of his debt.
